ARE YOU MAD?!
I'M BEGINNING TO BELIEVE HE IS!
BUT KEEP YOUR HEAD DOWN IF YOU WISH TO LIVE, DOCTOR MONEY!
BANG BANG BANG BANG
I'VE GAMED THIS OUT, DUKE!
WE ONLY HAVE A 40% CHANCE OF MAKING IT OUT OF THIS ALIVE.
BANG
THE ODDS DON'T MATTER, RISK.
WE JUST NEED TO KEEP MOVING AND STAY AHEAD OF THE--

VROOM

CRIMSON TWINS!

PEDAL TO THE METAL, BROTHER.

SHOW THEM WHAT OUR **STINGER** IS CAPABLE OF.

THESE GUYS ARE INTERNATIONAL ARMS DEALERS. NEVER EXPECTED THEM IN THE FIELD LIKE THIS!

WHAT THE HELL ARE A PAIR OF C.E.O.S DOING WITH **COBRA?**

PERHAPS YOU PULL YOUR OWN WEIGHT, BROTHER.

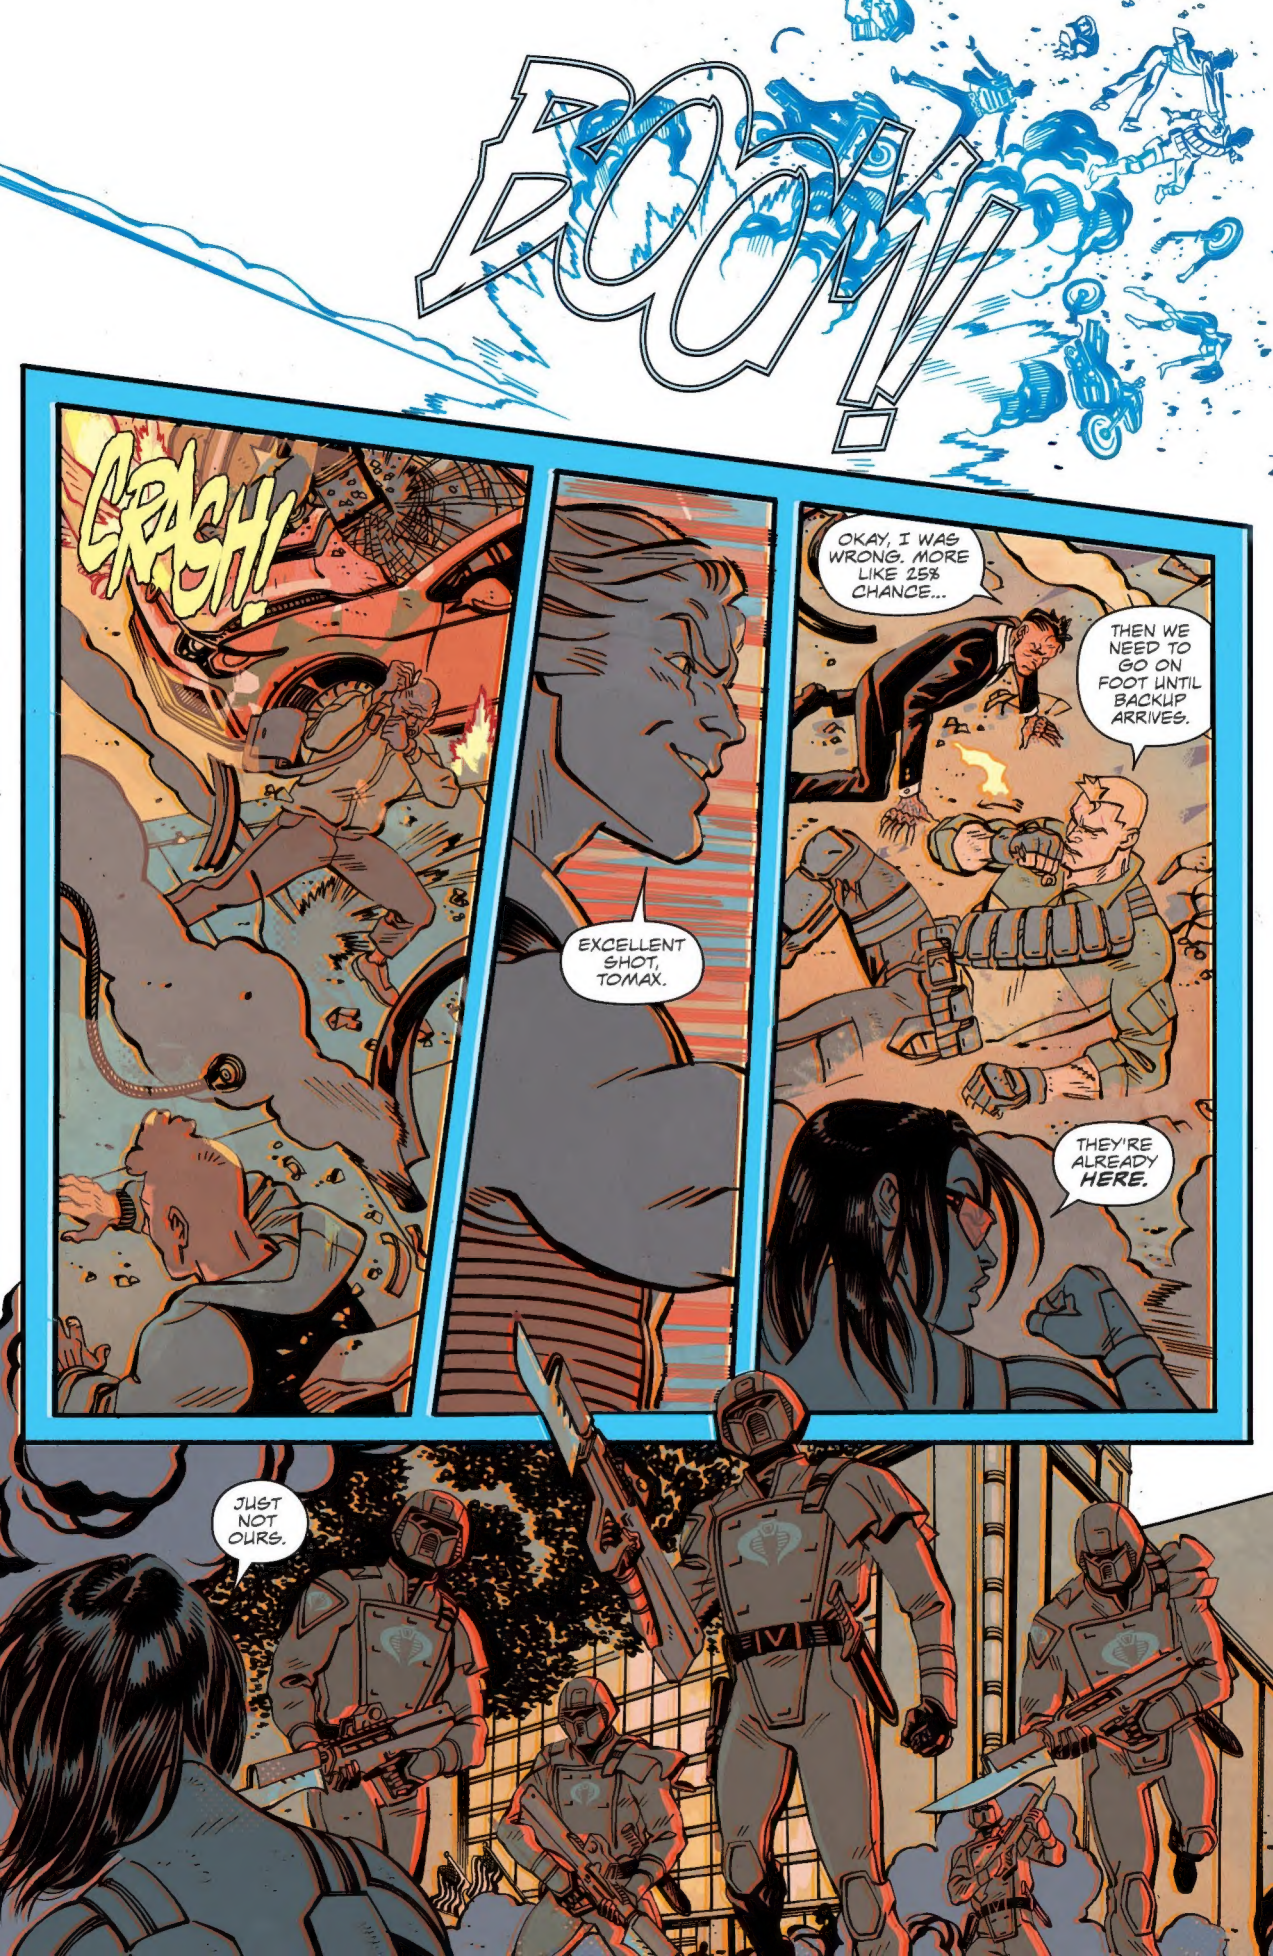
M.A.R.S. WAS ALSO WORKING WITH THEM, BARONESS...

OH, I AM...

OBSERVE.

CLIK!

BOOM-THOOSH!



BOOM!
CRASH!
EXCELLENT SHOT, TOMAX.
OKAY, I WAS WRONG. MORE LIKE 25% CHANCE...
THEN WE NEED TO GO ON FOOT UNTIL BACKUP ARRIVES.
THEY'RE ALREADY HERE.
JUST NOT OURS.

I CAN TAKE AT LEAST THREE OF THEM! HOW ABOUT YOU, BARONESS?
WOULD YOU SHUT UP?!
WE'RE GOING TO DIE.
NOT TODAY, DOCTOR. THEY WANT YOU ALIVE.
BUT WE HAVE A BIGGER PROBLEM NOW.
CIVILIANS.
THIS HAS TO STOP.
THUNK-TK

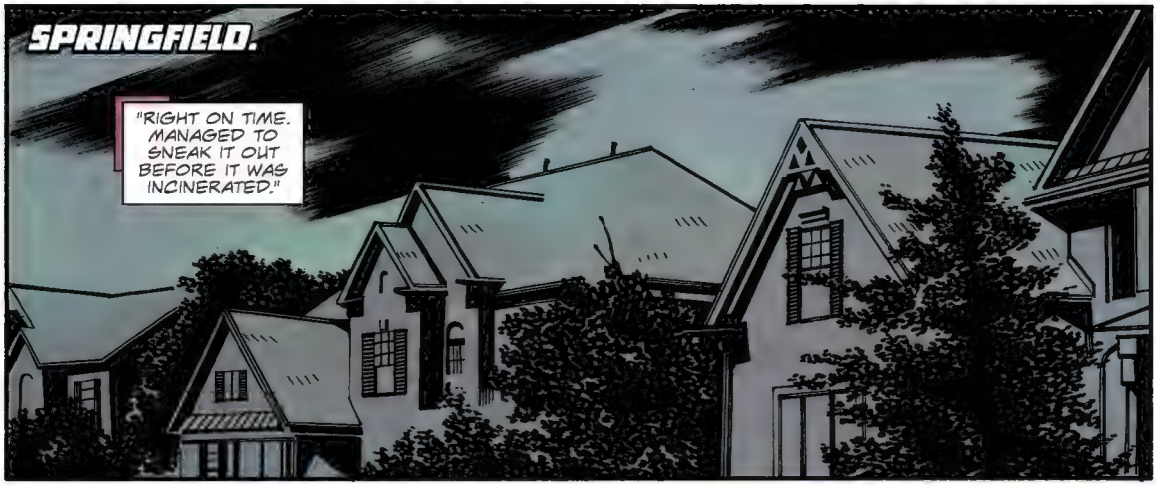
WE SURRENDER.
DUKE? WHAT ARE YOU--
KRAK!
KRAK!
THUK!
NOW THAT IT'S OVER, DOCTOR MONEV.
HOW WOULD YOU LIKE TO JOIN THE--
WINNING TEAM?

SECRET BUNKER IN SHENANDOAH NATIONAL PARK.
WE'RE HERE TO HELP.
AND WE DON'T NEED IT, SERGEANT.
THIS IS A PRETTY ROUTINE ASSIGNMENT. WE TRANSPORT FEDERAL EVIDENCE FROM THIS LOCATION NEARLY EVERY DAY.
THAT'S JUST THE THING. THE BRAINWAVE SCANNER NEEDS TO GO BACK INTO SECURE STORAGE.
NO WAY, BUDDY. OUR ORDERS ARE TO GET THIS TO CONGRESS NOW. AND I'M NOT GETTING YELLED AT BY SOME STIFF IN A SUIT BECAUSE OF YOU.
RED ALLERT! RED ALERT. DO YOU COPY!
THE TEAM TRANSPORTING MONEY HAS BEEN HIT!
FREEZE! DON'T MOVE A MUSCLE!
THEY'RE IN ON IT, TOO!
HOLD ON... YOUR SUPERIORS HAVE ORDERS FROM COLONEL HAWK.
THIS OPERATION IS NOW UNDER G.I. JOE'S PURVIEW.
WHAT THE HELL IS A G.I. JOE?

BANG
SPT!
MONEY.
HA.
NOW FOR THE REST.
BANG BANG BANG BANG
BANG BANG BANG BANG

WE'RE PINNED DOWN!
SPLITTING UP THE TEAM WAS A MISTAKE, COVER GIRL. BUT DUKE WAS IN SUCH A DAMN HURRY...
DOESN'T MATTER...
IF WE GET THIS TRUCK BACK INTO THE BUNKER, THAT SHOULD BUY US ENOUGH TIME TO--
UGH, DAMMIT.
STALKER?!
YOU'RE HIT!
NO, I JUST POPPED A STITCH FROM THE LAST TIME WE DEALT WITH THESE GUYS.
HOPEFULLY, WE FINISH THIS BEFORE I BLEED OUT.
RRRRMMRRRMMM
DUTY CALLS!

401
SORRY, MATES!
YOU AIN'T GOING NOWHERE.
CRUNCH!
IT'S BEEN A WHILE SINCE I GOT TO SEE ANY ACTION.
I AIN'T BEEN ABLE TO FIRE ONE OF THESE FANCY LASER GUNS YET...
HOLD, RIPPER.
THESE ARE THE SAME PEOPLE THAT GAVE MERCER TROUBLE.
I BELIEVE DESTRO WILL PREFER WE BRING THEM IN ALIVE SO THAT HE MAY INTERROGATE THEM.
A FATE WORSE THAN DEATH.
LOOKS LIKE WE'RE GOING ON A DOUBLE DATE.
READY TO HIT THE ROAD?
"YOU WERE ABLE TO RETRIEVE IT?"



SPRINGFIELD.
"RIGHT ON TIME. MANAGED TO SNEAK IT OUT BEFORE IT WAS INCINERATED."

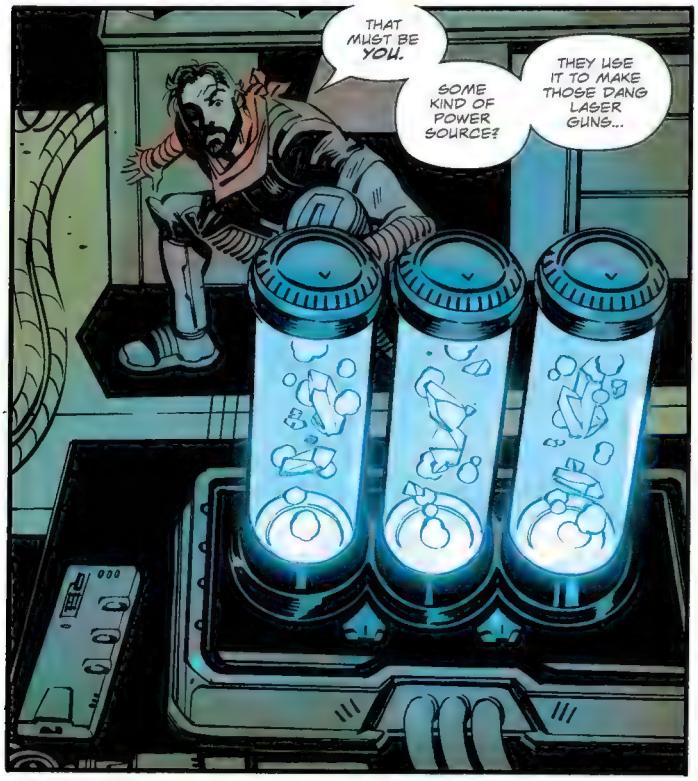
AS FAR AS COBRA COMMANDER OR ANYONE ELSE IS CONCERNED, THE SPY'S BODY WAS DESTROYED.
BUT, BOSS... THIS IS ALL KINDS OF WRONG. CHECK IT OUT...

THIS GUY'S WEARING SOME KIND OF FLESH SUIT. AND UNDERNEATH... HIS SKIN IS BLUE.
COULD THAT BE BECAUSE OF HOW HE DIED?
I'VE NEVER SEEN ANYTHING LIKE IT. BUT THAT AIN'T ALL...

NO WAY IS THIS METAL.
SOMETHING IS FISHY HERE. THE COMMANDER IS NOT TELLING US THE WHOLE STORY.
DOESN'T MATTER...HE CAN HAVE HIS SECRETS... FOR NOW...

AS LONG AS HE GIVES US THE ENERGON.
UNTIL WE CAN GENERATE OUR OWN, OUR ALLIANCE WITH THE COMMANDER STANDS.

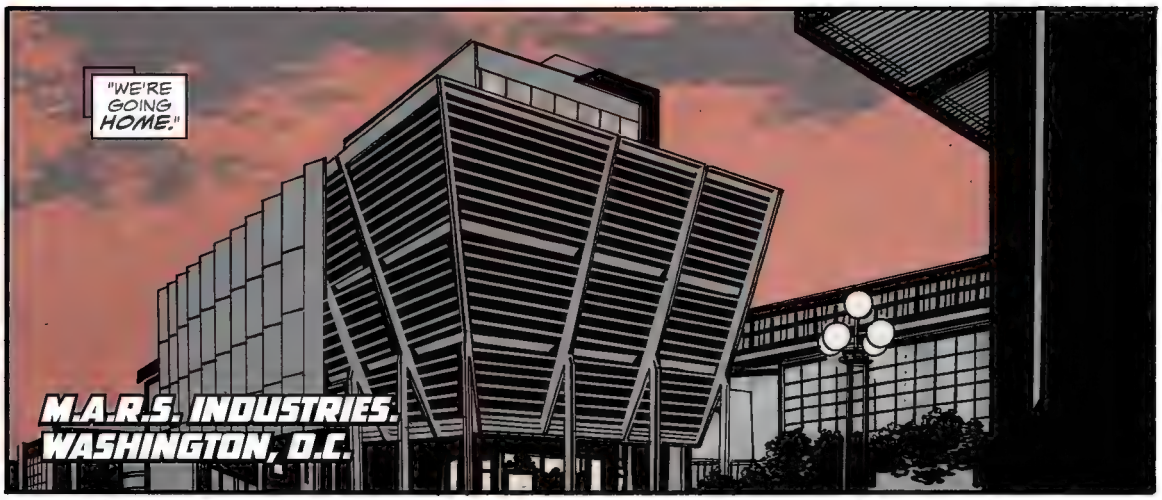
ENERGON...?



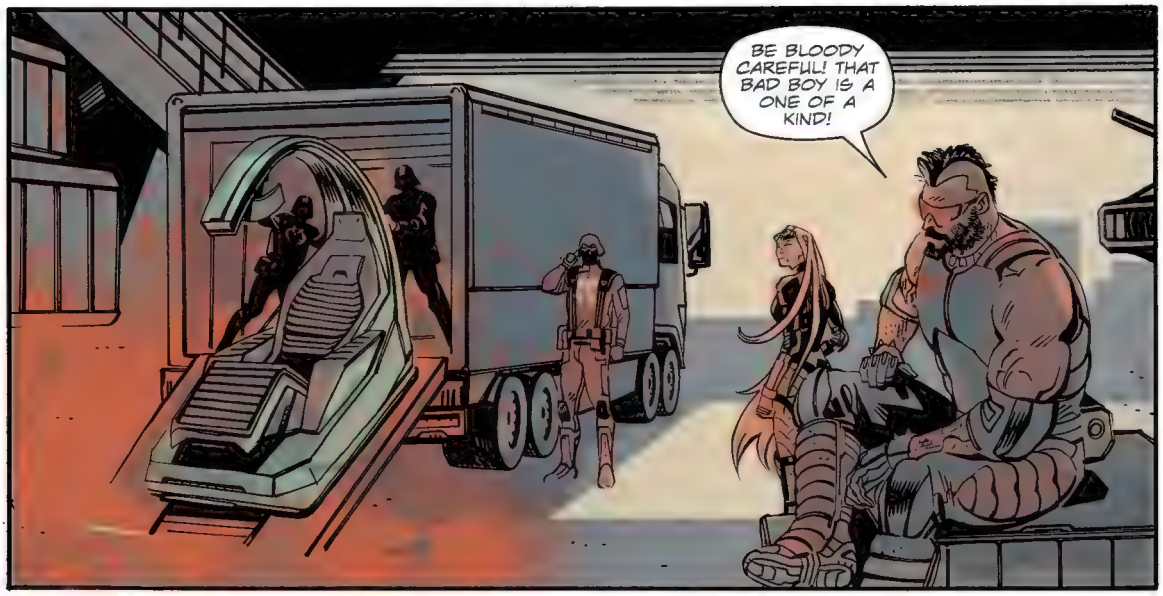
THAT MUST BE YOU.
SOME KIND OF POWER SOURCE?
THEY USE IT TO MAKE THOSE DANG LASER GUNS...

WHOOOWHOOOWHOOO
UM...

WHAT IS GOING ON NOW?
KEEP THAT BODY HIDDEN, MERCER!
HE'S LOCKED DOWN!
ARE WE UNDER ATTACK?
IMPOSSIBLE!
YOU HEAR THAT?
"OUR FORCES ARE MOVING!"
THIS MIGHT BE MY BEST SHOT OF GETTING OUT OF HERE...
SCRAP-IRON! WHAT THE HELL IS HAPPENING?
THE COMMANDER DIDN'T TELL YOU? HE WANTS EVERYONE TO HEAD TO A NEW LOCATION.
CRAP.
YOU'RE NOT GONNA LIKE THIS, BOSS...



"WE'RE GOING HOME."
M.A.R.S. INDUSTRIES. WASHINGTON, D.C.



BE BLOODY CAREFUL! THAT BAD BOY IS A ONE OF A KIND!

WHAT IS THE MEANING OF THIS?
WHY ARE WE HERE?

CALM DOWN, LOVER. RIPPER AND I FOLLOWED YOUR LEAD AND RETRIEVED THE BRAINWAVE SCANNER. BUT THEN WE RECEIVED AN ORDER TO RETURN TO M.A.R.S.
BY WHOM?
DESTRO, LOOK WHO IT IS...

EURO TRASH.
THE GANG'S ALL HERE.
YOUR PRIZE.
WHAT THE HELL IS THIS ALL ABOUT?
MY BRAINWAVE SCANNER. YOU RECOVERED IT?
IT WASN'T EASY. WHAT'S THAT THING DO ANYWAY, MATE?
IT WAS BUILT TO HELP PEOPLE.
IT CAN ALTER MEMORIES. REMOVE THEM. OR IMPLANT THEM.
THE GOVERNMENT THOUGHT IT WAS DANGEROUS.
IT IS...

BUT IN COBRA'S HANDS, IT WILL CREATE A NEW WORLD ORDER.

WHY ARE WE HERE, COMMANDER? YOU DID NOT TELL ME ABOUT THIS...CHANGE IN PLANS.

THESE... G.I. JOE OPERATIVES HAVE SOMEHOW MET US AT EVERY TURN.

SO, I FELT IT WAS TOO EARLY TO RISK SPRINGFIELD.

SO INSTEAD, YOU COMPROMISED ME.

ONCE ALL IS REVEALED, YOU WILL THANK ME.

WE WILL MERGE DOCTOR MONEV'S BRAINWAVE SCANNER WITH THE TECHNOLOGY WE ACQUIRED.

THEN POWER IT WITH OUR ENERGON TO CREATE SOMETHING NEW.

TO GIVE US A...

BRAINWAVE BOMB.
A BOMB? YOU WANT TO JUST BLOW PEOPLE UP? THAT'S IT? WE DON'T NEED ALL THIS FANCY S@#% TO DO THAT.
DON'T BE SO BORING.
NO, THIS BOMB WILL NOT KILL ANYONE.
IT WILL SEND A MESSAGE THAT ANYONE CAUGHT WITHIN THE BLAST RADIUS WILL HAVE NO CHOICE BUT TO FOLLOW.
JUST TWO WORDS:
OBEY COBRA.
FASCINATING.
BUT WE WOULD NEED A TRIAL RUN FIRST.
AND ANY TEST SUBJECT WOULD LIKELY NEED TO BE... FORCED.
OF COURSE, DOCTOR. YOU'RE IN LUCK...

"WE HAVE GUESTS."
MOVE!
DAMN, THEY GOT YOU, TOO, HUNH?
THEY OUT-NUMBERED US!
KEEP MOVING!
THIS IS NOT HOW I'D LIKE TO DIE.
WE HAD A FIGHTING CHANCE. BUT OUR FEARLESS LEADER SURRENDERED!
LISTEN TO ALL OF YOU. GIVING IN AND GIVING UP.
I NEED YOU TO TRUST ME...

WE GOT COBRA RIGHT WHERE WE WANT THEM.

**YO JOE! Welcome back to the FOURTH exciting installment of G.I. JOE...Ben Abernathy once again answering the call and joined, as always, by writer extraordinaire, Joshua Williamson!**

***HELLO AGAIN! What the hell is Duke talking about? Has he snapped again?***

---

Team G.I. Joe,

I've just finished the first issue of G.I. Joe and I had a blast! I've known about this franchise for a long time from tv and the films, but I've never really dove into the lore. I appreciate the way the team seamlessly introduces the characters we will be following, welcoming new readers. I have been looking forward to this book since the beginning of the Energon Universe. This opening salvo exceeded my expectations and I am here to join this ride wherever it may lead.

Lastly the subtle hints at the larger world are very exciting

Keep it up!
Daniel M. From Dallas

**We appreciate your support on our debut issue, Daniel, and I can promise you each issue will continue to exceed expectations! Thank you for the letter.**

***I'm glad you're picking up those subtle hints that we're dropping. And we'll continue to introduce characters in the same style. The best and coolest way possible for all of that. Thank you!***

---

Yo Joe Team,

Holy cow! I don't know if you guys knew this, but I think you just killed off Rock & Roll in issue 1! Is that the moral of the story? We shouldn't get emotionally attached to the characters? Fantastic first issue! Tom's art throughout this issue (and Duke's series) is gorgeous. I love the new character designs for Duke, Baroness and Rock & Roll (RIP). The pace of the story was great and it felt like it picked up neatly after the Duke and Cobra Commander minis. The action was fantastic and the cliffhanger at the end made sure to remind us that this isn't a Joe story from yester-years. The stakes seem much higher!

Are there other mini-series ideas kicking around out there? Who could we see? Keep building this universe because you're doing a bang-up job!

v/r

Jeremy

**Thank you for your enthusiastic support, Jeremy, and writing in. I think one of the hallmarks of the larger Energon Universe IS how high the stakes are and poor Rock 'N Roll learned that the hard way.**

***It's all fun and games until Cobra gets laser guns. We've told people to expect the unexpected. But also, we needed to show that the lasers gun kill and that Cobra is deadly. Art least Rock 'N Roll went out punching Cobra scum and protecting his team.***

---

Skybound Team,

Being a lifelong fanatic of G.I. Joe, I had to write and tell you guys that issue #1 of the new book is unbelievable. Joshua, you wrote a story that Larry Hama should be proud of. Tom and Jordie, the art and colours are fantastic. I love how you have smoothly transitioned from the introduction series, Duke, Cobra Commander and Destro into this issue. I can't wait to see where you take this story, we'll done and Go Joe!!!!!

Regards,
Steve White

***That's an amazing compliment. I'm very flattered. No one can match the master of G.I. Joe, but I'm super happy you are digging what we're doing.***

---

I've never written to a comic editorial before but at nearly 50, there is a first time for everything. G.I. Joe was a big part of my youth. I had lots of Joe comics and toys but two characters that always stood out to me were Roadblock and Beach Head. I'd love to see them in future story arcs. Keep up the good work. Go Joe!

Joe Motley

**We're honored that you chose our book to debut your first letter, Joe--and I'm equally happy to have your first letter also appear in print! We're pretty big fans of Beach Head and Roadblock here, so stay tuned!**

***We all have our favorite Joes, and we're hoping to get to them all. [redacted] is also one of my favs, and you'll see how much he kicks ass in #[redacted] coming up soon! It's an important issue for the future of the series.***

***Thank you for writing us! That's awesome!***

---

Greetings from Chula Vista, Ca., home of Shipwreck!

I have to tell ya, I am an original G1 80s G.I. Joe kid and was supremely fortunate to have lived in a golden time when G.I. Joe was just a normal part of everyday conversation and play. I am happy to write that I'm seeing the next big step today in what you all are doing. Thank you!

I am loving what you all are doing! The art is spot on. The stories are captivating. It's all a ton of fun to be a part of and see these characters come to life in ways I've imagined them.

Over in Duke, I did notice that we have an

open slot for a Burkhart now. If you need a replacement Burkhart, know that there is at least one Burkhart serving as a Chief Scientist egghead over at Aberdeen Proving Grounds still helping the cause started all those years ago.

WRT my question, when Rock 'N Roll said he could handle a light show, did he eventually come to know that you were part of the illumi-naughty that guided him to his death? Lol. Can you tell us, what was the last thing that went through Rock 'N Roll's mind, besides photons?

As for naming the mailbag, please consider:

"Leave a message after the Explosive!"

"Signal Boosters"

"The Laser Krackle"

"The Fan Cannon"

"Straight Shooters"

"The Last Shot"

"NetOps Conduit"

"Deploy the Words!"

"Plugged in, Ready to Win!"

"The Recharge Depot"

Thanks again and keep having fun!

-John Burkhart

#TeamJoe

**Thanks you for writing in, John, and it's always great to meet another O.G. G.I. Joe fan! I will leave Joshua to answer your sad Rock 'N Roll question but you bring up a GREAT point...we DO need a proper name for the letter column, don't we? You have some great suggestions listed but I'd like to challenge other readers with the same mission--send us suggestions for the name of the column! We'll announce the winner in a future issue!**

***RIP Rock 'N Roll. I imagine his final thoughts were on buying his team time to get free or stop Cobra. Being a hero and saving the day. I think the real question is...what SONG did he hear last?***

***It was hard to kill Rock 'N Roll. I'll be honest. But we need to continue to be unpredictable and show that this version of Cobra does not mess around.***

---

Hello, Joe Team!

First, great code name for a Joe; I actually had a character named such years back when trying to make fan videos of G.I. Joe, so fun to think that great (or silly) minds think alike! I hope to learn more about this new character, but I admit a concern.

There is a theory among G.I. Joe fans that Risk will turn into the Energon Universe version of Snake-Eyes. Having read his introduction in Issue 2, I can see certain flares of where that theory may have some weight. Bluntly, I really, really hope this is not true. I do not like characters, let alone favorite characters, being departures from what I have known and loved for decades, and what I still hope for and expect.

I am just one fan, but this theory bothers me; this would not be the Silent Master, his origin, his story, that I love, and I will stop following the three different comic series' and the Energon Universe, in its entirety, should this be the new direction. It would be unfortunate, but I would only be interested in Hama's ARAH with such a clear departure.

Still, I hope Risk is his own, new character, and not meant to be a new version or replacement of a previous, beloved icon. If so, I do admit curiosity and interest, and to further end on a positive note, I was rightly gutted about Rock 'N Roll (the intent, of course), and have been enjoying the new Mercer.

Hope to continue to be a fan for a long time.

Thank you for your time,
Nate

**Wow, Nate, you'd quit the ENTIRE Energon Universe over this if true? Dang...well, I'd never heard that theory until now and I can say categorically that is NOT THE CASE. You can now keep reading and enjoying our books with greater peace of mind.**

***What? Where does that come from? If you look at how we've introduced the characters in the Energon Universe, none of them have been a massive departure from who they are at their core. I stand by what I've said in interviews; whenever we talk about bringing a character into the books the first thing I do is grab the original file cards and start there. We want to bring the cast in fun new ways, but I'd never want to completely re-write a character like that. I'm a fan too and I want to write the characters I love in the best way possible. So yeah, don't worry about that theory. Not real.***

***That being said...Risk is 100% a new character with his own new mystery to unravel over the years.***

---

**And that's a wrap for this month! Thank you ALL for reading, please keep the letters coming in and y'all are gonna lose your minds when you read #5 in 30 days mwahahaha!**

**-Ben**

***Thanks everyone for writing. It's always great to see the passion for the Joes and for what we're doing in the Energon Universe. Keep it coming. And yeah #5 is NUTS. This issue had some action and character moments but the next issue pushes it to the max!***

***-Josh***
